

Volunteering Opportunity – Regional Director

CAMRA's Wessex and Channel Islands region covers Dorset, the Isle of Wight, Hampshire, Wiltshire and the Channel Islands - and comprises 16 CAMRA branches.

We're now recruiting for a volunteer **Regional Director** – and encourage any interested members to apply by the deadline of **midday on Saturday 7th August 2021**.

Overview of the role

This elected position is key to the successful running of CAMRA activities at a regional level - including campaigning and beer festivals - and at national level, with 15 other Regional Directors. These Directors are involved in some of the highest levels of decision making and strategy setting across the Campaign for Real Ale.

Regional Directors act as a vital conduit between CAMRA branches and the national organisation - mobilising and organising members to deliver CAMRA's campaigning objectives.

The role of Regional Director gives great opportunities for developing skills, including strategy development, working with the media, project management, personnel management and financial management. In addition, the role will give you great opportunities to develop personal experiences, such as taking part in events at Parliament, representing over 170,000 members at national level and building a network of friends and contacts across the country.
